

Guardian Certification Courses

The Guardian Team can provide various emergency management certifications based on the Guardian Standard. These certifications are constructed by subject matter experts in the field of emergency management who align with the modern Emergency Management guidelines, aligning with FEMA and other Federal, State, and Local agencies. The following certification courses are offered through Guardian Public Safety Services.

Guardian Incident Command Certification Courses:

- Incident Commander
- Public Information Officer
- Safety Officer
- Liaison Officer
- Intelligence Officer
- Operations Section Chief
- Logistics Section Chief
- Planning Section Chief
- Finance/Administration Section Chief
- Communications Unit Leader
- Documentation Unit Leader
- Demobilization Unit Leader
- Task Force Leader
- Strike Team Leader

General Emergency Management Certification Courses:

- Emergency Management Specialist
- Emergency Manager
- Incident Command Basic Training
- Hospital Incident Command Course
- Incident Command Boot Camp (A Week-Long Course with multiple customized courses at the discretion of the clients).

Note: These courses range from several hours to multiple days. Please contact our team with an inquiry request to find specific course details for individual classes.
